

CULLIGAN® SALT-FREE CONDITIONER

with Anti-Scale Media

EXPERIENCE THE DIFFERENCE CULLIGAN WATER CAN MAKE.

SYSTEM BENEFITS

- Reduces scale damage with zero waste
- Reduces carbon footprint
- Saves homeowner money
- Easy to install & maintain
- Improves appliance performance

The Salt Free Solution for Better Water

The Salt-Free Conditioner from Culligan uses a technology that naturally conditions water and minimizes scaling without the need for backflushing or salt. This results in savings in your water bill with virtually no impact on the environment.

By reducing existing scaling and preventing new scaling formation, the system helps protect your home's major appliances and plumbing, while easing the cleaning of showers and sinks. For added convenience and ease of installation, the system doesn't require a floor drain or access to electrical.
